

Convener and Organization of National - International Conferences

- *Short Course* at EGU24 meeting (SC5.9): Applications of cosmogenic nuclides to study Earth surface processes and landforms
Convener: Romano Clementucci; Co-conveners: Gerald Raab, Zsófia Ruszkiczay-Rüdiger, Lionel Louis Siame
- *Short Course* at EGU24 meeting (SC4.8): Meet the editors (1): how to write and revise your manuscript
Convener: Faranak Tootoonchi; Co-conveners: Aayush Srivastava, Romano Clementucci, Christina Anna Orieschnig, Kirsten Florentine Weber
- *Session* at EGU24 meeting (GM6.1): Erosion, Weathering, and Sediment Transport in Mountain Landscapes
Convener: Erica Erlanger; Co-conveners: Jesse Zondervan, Apolline Mariotti, Romano Clementucci
- *Session* at EGU24 meeting (TS4.3): Quantifying the interactions of tectonics, topography and surface processes in orogen-sedimentary basin systems and their links to geodynamic forcings
Convener: Yanyan Wang; Co-conveners: Romano Clementucci, Attila Balázs, Sebastien Carretier, Zoltán Erdős, Duna Roda-Boluda, Sebastian G. Wolf
- *Session* at EGU24 meeting (GM2.3): Dates, Rates and Bytes: advances in cosmogenic nuclides and other geochronological techniques to quantify surface processes and landscape dynamics
Convener: Duna Roda Boluda; Co-conveners: Gerald Raab, Zsófia Ruszkiczay-Rüdiger, Romano Clementucci, Christoph Schmidt, Apolline Mariotti, Lingxiao Gong
- *Session* at GeoBerlin 2023 meeting (3.26): Magnitude, rates and timing of landscape evolution
Convener: Riccardo Reitano; Co-conveners: Romano Clementucci, Riccardo Reitano, Frank Zwaan, Richard Ott
- *Short Course* at EGU23 meeting (SC4.12): Applications of cosmogenic nuclides to Earth surface
Convener: Romano Clementucci; Co-conveners: Lionel Louis Siame, Gerald Raab, Andrea Madella, Rachel Oien
- *Short Course* at EGU23 meeting (SC3.16): Meet the editors (1): how to write and revise your manuscript
Convener: Elena Cristiano; Co-conveners: Kirsten Weber, Faranak Tootoonchi, Romano Clementucci, Massimiliano Schiavo
- *Session* at EGU23 meeting (GM9.2): Exploring the feedback between tectonics, climate, and surface processes from modelling and quantifying techniques
Convener: Mauro Bonasera; Co-conveners: Romano Clementucci, Michele Delchiaro, Ciro Cerrone, Riccardo Reitano, Laure Guerit, Sebastien Carretier
- *Session* at EGU23 meeting (GM2.6): Dates, Rates and Bytes: Quantifying Geomorphological Processes and Landscape Dynamics using advances in geochronology
Convener: Georgina King; Co-conveners: Zsófia Ruszkiczay-Rüdiger, Romano Clementucci, Sebastien Lenard, Gerald Raab, Ann Rowan, Apolline Mariotti

- *Session* at EGU23 meeting (GM3.1): Erosion, Weathering, and Sediment Transport in Mountain Landscapes

Convener: Erica Erlanger; *Co-conveners:* **Romano Clementucci**, Jesse Zondervan, Apolline Mariotti, Eric Deal

- TS, GD, GM, SM Social Evening EGU23 & EGU24

Organized by Silvia Crosetto | Co-organized by: Megan Holdt, **Romano Clementucci**, Dinko Sindija. Location: Bermuda Bräu, Rabensteig 6, 1010 Vienna
